

Photo Story: Starter Lesson 1

Instructions before the lesson

- Print out enough copies of the task for pairs or groups of students
- Before the lesson, cut around each rectangle
- Shuffle each piece of paper
- Place one set of shuffled pieces of paper into an envelope

Instructions during the lesson

- Put students into pairs or groups
- Hand out one envelope per group
- Ask students to sort the words into a comprehensive sentence

The sentence that students are trying to reconstruct is:

For this project we will be using software called Photo Story to encourage people to visit our favourite holiday destination. We will also create a second version in a different language.

For this project

we will be

using software

called Photo Story

to encourage

people to visit

our favourite

holiday destination.

We will also

create a second

version in a

different

language.

You may:

- Guide teachers or students to access this resource from the teach-ict.com site
- Print out enough copies to use during the lesson

You may not:

- Adapt or build on this work
- Save this resource to a school network or VLE
- Republish this resource on the internet

A subscription will enable you to access an editable version, without the watermark and save it on your protected network or VLE
